

SEVEN KEYS TO SUCCESSFUL LEARNING

& HELPING LEARNERS TAKE RESPONSIBILITY FOR THEIR OWN LEARNING

OBJECTIVES

- Develop the ability to manage the classroom and make it an optimal learning environment and long term.
- Discover tools and strategies to raise motivation and inspire students.
- Help teachers become more aware of learning preferences and styles of thought and its implications in the classroom
- Support teachers to guide students to clarify and define their goals and thus achieve their educational goals.
- Help teachers guide students to take responsibility for their own learning
- Help teachers become more aware of the strategies of successful students and teachers.
